The 2012 Statistical Yearbook was produced under the auspices of UNHCR's Division of Programme Support and Management, Field Information and Coordination Support Section. The editorial team, led by Tarek Abou Chabaké (Senior Statistician) and Joseph Tenkorang (Statistician), thank all those who contributed to the preparation of this report, including contributing authors Radha Govil, Norman Green, Betsy Greve, Stefanie Gross, David Karp, Alphonse MacDonald, Margarita Mochalova, Kimberly Roberson, and Yumiko Takashima.

The Yearbook could not have been prepared without the commitment and support of national and international staff in UNHCR offices around the world, or without the cooperation of relevant national administrative bodies.

Unless specified otherwise, the 2012 Statistical Yearbook does not refer to events occurring after 31 December 2012. The designations employed and the presentation of country or area names, including in maps and country listings, do not imply the expression of any opinion whatsoever on the part of UNHCR concerning the legal status of any country, territory, city, or area of its authorities, or the delimitation of its frontiers or boundaries.
