

# Climate-related Human Mobility: Connecting the dots to implement the Paris Agreement

© UNHCR/Saiful Huq Omi

This ONE UN side event will showcase relevant agencies recommendations and best practices on **averting, minimizing, and addressing human mobility** related to climate change. It aims to feed into the development of recommendations from the WIM Taskforce on Displacement, established by the Paris Agreement.

#### Opening remarks:

- **Mr. Ovais Sarmad**, Deputy Executive Secretary, UNFCCC
- **Ms. Renate Held**, Director of Department of Migration Management, IOM

#### Moderator:

- **Ms. Madeline Garlick**, Head of Protection Policy & Legal Advice Section, UNHCR

#### Speakers:

- **Ms. Rima Al Azar**, Senior Natural Resources Officer, FAO
- **Ms. Meredith Byrne**, Technical Officer, ILO
- **Mr. Ben Schachter**, Human Rights Officer, OHCHR
- **Ms. Barbara Bendanti**, Policy Officer on Migration, UNCCD
- **Ms. Verona Collantes**, Intergovernmental Specialist, UN Women
- **Dr. Pradeep Kurukulasuriya**, Head of Climate Change Adaptation, UNDP
- **Dr. Robert Oakes**, Senior Researcher, UNU-EHS
- **Mr. Amir H. Delju**, Senior Scientific Coordinator in Climate Prediction and Adaptation, WMO

**Wednesday 8 November 2017**

**13:15—14:45**

**Meeting Room 12 (170 theatre)**
