

Structure of the revised 2014-2015 programme budget document

- **Chapter 1**: key elements of UNHCR's revised Programme Budget and, for the purpose of comparison, 2013 actual expenditure;
- **Chapter 2**: revised programme of work at regional, subregional and global levels with budgetary information as well as statistics on the number of beneficiaries;
- Chapter 3: revised programme support and management and administration costs for all posts and related activities, both at Headquarters and in the field;

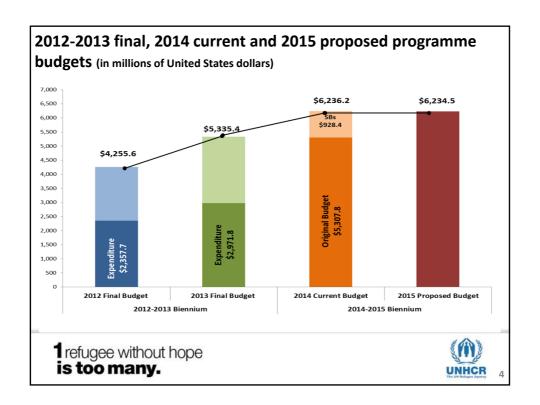

Global Appeal and Global Report complement the Budget Document by providing programmatic reporting, such as achievements and impact (e.g. gap analysis), unmet needs, etc.
