The Global Refugee Forum, to be held from 13 to 15 December 2023, provides a unique opportunity for collective multi-stakeholder action to develop high-quality transformational pledges on key themes in support of refugees and hosting countries. This side event will focus on what is needed for multistakeholder pledges to become “mega pledges”. Mega-pledges are characterized by their multi-year sustainability, quantifiable targets, concrete contributions, and strong leadership.
