Key Priorities

- **Protection:** UNHCR continues extending expert support to the Government to seek durable solutions for refugees and other displaced persons in accordance with the international standards.
- **Access to territory:** UNHCR monitors points of entry to ensure that asylum-seekers access the territory without hindrance; supports national capacities and assists in institutionalizing refugee law courses for border guards and entry officials.
- **Asylum:** UNHCR and Mission Armenia NGO, monitor administrative and judicial asylum procedures; and assists the Government to enhance the quality and efficiency of asylum procedures.
- **Community Empowerment and Self-Reliance:** UNHCR provides targeted assistance to persons of concern to facilitate their integration. Along with psychosocial, legal and medical assistance, refugees benefit from vocational and language courses, and livelihood projects. Partnered with MADE51, displaced women entrepreneurs are engaged in production of traditional handicraft and masks.

Working with Partners

- UNHCR cooperates with state and non-state stakeholders, including the Migration Service, the Human Rights Defender's Office, Public Defender's Office, Border Guards of National Security Service, line ministries and the judiciary, the Parliament, Police, regional governors' offices and municipalities, civil society, mass media, and academia.
- **External Engagement and Communication with Communities:** Key activities included enhancing public awareness on the plight and challenges faced by persons of concern; educating the latter on their rights and responsibilities, including through the newly launched [UNHCR HELP Armenia website](#).

Nagorno-Karabakh Response

- Some **36,989 persons** are in a **refugee-like situation** in Armenia as of June 2021. The vast majority are women and children.
- With the UN RC's Office, UNHCR leads the **coordination mechanisms** to respond to the humanitarian needs of those displaced from NK due to the conflict that erupted in September 2020.
- UNHCR is engaged in **protection monitoring**, including departure and return monitoring, to identify and respond to the protection needs of the displaced persons across Armenia.
- so far this year, some **10,709** individuals in a refugee-like situation from NK received in-kind assistance to cover basic needs. Some **14,000 people in a refugee-like situation** received one-time cash assistance in July 2021. As per the Memorandum of Understanding with authorities, **655 families** will receive a rental subsidy as they to move from collective shelters to private accommodation.

Statelessness

- Armenia has acceded to both Statelessness Conventions. Promoting the #IBELONG campaign to end statelessness, UNHCR supports the Government's efforts in assuring statelessness-related legal policies and procedures.
- UNHCR promotes introduction of the 1954 Convention travel documents for stateless persons compatible with the International Civil Aviation Organization standards.
