

## Origins and destinations of refugees: maps

These maps contain the latest data available in UNHCR's Global Trends report on countries of origin and host countries of refugees for the year 2020.

Use the maps and the country rankings in your in lesson planning and use the teaching suggestions to do a couple of activities with your students (suitable for ages 12-18).

For more background and data, visit [UNHCR's Global Trends home page](#).

UNHCR, the UN Refugee Agency, protects people forced to flee their homes because of conflict and persecution. We save lives, protect rights and help build better futures.

ORIGINATED FROM  
JUST FIVE COUNTRIES

More than two thirds (68 per cent) of all refugees and Venezuelans displaced abroad came from just five countries.

## Teaching suggestion (ages 12-18)

Ask your students to guess the top five countries of origin of refugees. Then give them the names of the countries and the numbers of refugees originating from each country (see table and countries marked in red).

You can then ask pupils to find the countries on a map.

Where there any surprises?

Where do your students think most refugees come from?

**Syrian Arab Republic**

6.7 million

**Venezuela**

4.0 million

**Afghanistan**

2.6 million

**South Sudan**
