UNHCR is organizing a side event on the comprehensive solutions strategy for Ivorian refugees. It is an opportunity to brief States on the strategy, which builds on the cooperation of States in the region. It will allow UNHCR to engage with States and mobilize support for the implementation of this solutions strategy. This side event will also provide an opportunity for an exchange on lessons learnt and good practices on solutions in protracted situations more broadly, in line with the Global Compact on Refugees.

Thursday, 7 October 2021, 13:30-14:45 (CET)

The event will be fully virtual with delegates present in Geneva and all others attending via [the Interprefy online platform](https://interprefy.interpret.world/loginlink?token=S-n8VQ2LzD):
