Ideally delivery capacity in line CRH			Ideally delivery lead time in line CRH		

To be eligible for the above procurement, suppliers should meet below requirements:

- CRH should be dry and black.
- CRH should be supplied in new (not re-used) plastic bag of 20 KGs (NET) or of 30KGs (NET) and marked with PO No and UNHCR Logo.
- UNHCR Logo shall be marked on the CRH bag in blue colour, as instructed by UNHCR (exact number of bags with/without UNHCR logo will be specified in each PO)
- Transport of CRH to Kutupalong, Nayapara and Konapara Refugee camps by trucks from 3 MT to 5 MT might be requested.
- Estimated yearly requirement of UNHCR: 500 MT.
- Successful bidders will be expected to maintain a dedicated emergency stock of 50 MTs at their premises at no extra cost and without prior commitment from UNHCR, which can be used for rapid deployment to UNHCR field locations.
