

WORKSHEET 2

Cinquains

1. one word = title, name, labelling of what is being described (noun)
2. two words = the properties of the subject described (adjectives)
3. three words = what this subject does, its typical features (verbs)
4. four words, or a short four-word sentence = what your stance is, what your feeling is towards the subject
5. one word = a synonym encapsulating what is being described

INSERT

	This information confirms what I already knew or expected.
	This information is new for me, but I accept it.
	This information contradicts what I thought, or what I still think.
	I don't understand this, or I want to know more about it.
