

WORKSHEET 5

The Farlandish government's questions

Dear Czechs,

As discussions have arisen about whether or not you should be able to settle here in Farlandia, we would like to know the following things about you:

- 1. We have noticed that there are many different cultures and ways of life in the Czech Republic. Please give three examples of what Czech culture means to you.*
- 2. Will you claim the right to practise elements of your culture if you settle here? Which elements, and why?*
- 3. Will you choose to keep your religion and current manner of religious worship? If so, why?*
- 4. Will you accept and celebrate our festivals and follow our traditions? Justify your position.*
- 5. Will you claim the right to be taught in your mother tongue in school? Or will you quickly adjust to our language?*
- 6. Are you going to claim the right to vote in Farlandian elections? Why would that be important to you?*
- 7. Will you demand access to healthcare, unemployment benefits and pensions with the same rights as born-and-bred Farlandians? If so, should these rights apply from day one?*
- 8. Should adults be allowed to refuse a job they are offered, if the job doesn't make use of their qualifications? If so, why?*
- 9. What might the Farlandian people do to make you feel welcome and included in local society?*

Thank you for your cooperation.

Sincerely,

The Farlandian Government
