Have You Been Separated From Your Child(ren)?

You can ask for help locating and/or getting in contact with your child(ren) by making the following phone calls:

➢ If you need assistance locating your child(ren) or setting up regular communication with your child(ren), call the Detention Reporting Information Line at 1-888-351-4024.

➢ If you know that your child(ren) is in the custody of the U.S. Government, call the Office of Refugee Resettlement (ORR) Parent Hotline at 1-800-203-7001.

ICE and ORR work together to locate children, verify the parent/child relationship, and set up regular communication and removal coordination, if necessary.
