REQUEST FOR PROPOSAL: No. ITB/GRC/2020-016
FOR THE ESTABLISHMENT OF A FRAME AGREEMENT(S) FOR THE SUPPLY OF STEEL
BUNK BEDS and MATTRESSES for UNHCR Greece

- CLARIFICATIONS -

Questions - Answers

Q: Regarding the requested Dimensions of each bed: 90 cm x 190 cm x H= 1.50m-1.65 m

a. if the size 90x190 x1,65 refers to maximum external dimensions of the Bunk Bed structure (due to space restrictions) or if 90x190 it refers to the inner dimensions of each bed base equal to the size of the requested foam mattresses

b. if the size 90x190 refers to the requested size of foam mattresses

A: a. Regarding the dimensions indicated for the bed, these are the inner dimensions of each bed base requested.

b. Regarding the dimensions of the foam mattress, these should be 90cm x 190cm (or appropriate to fit to the inner dimensions of the bed).

Q: Is 1,70 acceptable as maximum height of the Bunk Bed (distance from floor level up to the upper point of the upper bed safety barrier for mattress min 12cm thickness)

A: It can be, if this does not conflict with the rest of the requirements.

Q: Bed base must have horizontal metal slates welded to the 2 x crossbeams or fixed solid plywood are acceptable as alternative options.

A: Your technical offer should clearly state the specifications of the offered products in detail and whether the goods you are offering are fully conforming to the product specifications given. Clearly state and disclose any discrepancies.

If you have alternative product(s) to offer, please clearly indicate the advantages over the standard items (Annex B). Do not send only an offer for an alternative product, i.e. these should be sent in addition to an offer for the standard items requested.

Q: Please confirm if the requested Bed base structure as per minimum dimensions of the frame is 90x11x2cm

A: Dimensions of the Frame: **minimum (90x11x2 cm each)**

Q: Is 1,70 acceptable as maximum height of the Bunk Bed (distance from floor level up to the upper point of the upper bed safety barrier for mattress min 12cm thickness)

A: It can be, if this does not conflict with the rest of the requirements.

Q: Could you clarify if the requested Bunk beds dimension refers to single beds, as in the in the ITB documents the provided photo of the lower bed's size refers to a double bed.

A: the photo provided is indicative of the bunk bed.

IMPORTANT NOTE:

No pricing information should be included in the Technical offer. Failure to comply may risk disqualification. The technical offer should contain all information required.

The two offers should be submitted as separate documents in separate emails.
