迎接未知的挑戰: 阿富汗婦女返回的旅程

Returning to Afghanistan, Confronting Uncertainty: The Journey of Afghan Women

2025 年,超過 240 萬名阿富汗人被迫從鄰國返回阿富汗,這股 湧入的人潮為本已飽受貧窮、動盪及基礎設施不足困擾的邊境省份 帶來沉重壓力。許多返回者一無所有,急需援助以重建生活。

當中不少是返回的婦女及兒童,她們的權利和行動自由均受到限制,令許多婦女感到迷惘、被孤立,並對未來充滿恐懼。

In 2025, over 2.4 million Afghans were forced to return from neighbouring countries. This influx has placed enormous pressure on border provinces already strained by poverty, insecurity, and inadequate infrastructure. Many returnees arrived with nothing and urgently need assistance to rebuild their lives.

Among them are women and children returning to a society with restricted rights and mobility, leaving many women feeling disoriented, isolated, and fearful about their future.

女孩年滿約13歲即被禁止上學。 Girls are banned from school after the age of about 13.

大部份婦女和女孩無法獲得 阿富汗身份證(Tazkira),這阻礙了 她們融入社會和獲得基本服務。 Most women and girls in Afghanistan lack a Tazkira, the national ID card, which hinders their access to essential services and social integration.

阿富汗多數地區禁止婦女在沒有 男士陪同网情況下出入公共場所。

In many parts of the country, women are prohibited from being in public unless they are accompanied by a man.

"I worry that my children might fall behind in their education. They need shoes, pens, and notebooks for school and for courses."

A Mother's Uncertain Return Home Amid Fragile Health

來自馬扎里沙裡夫(Mazar-e-Sharif)的40歲母親Asma,育有兩名女兒,剛剛再次越過邊境返回阿富汗,對未知的前路充滿恐懼。

她於2021年前往巴基斯坦接受癌症治療。由於交通費高昂,她辭去了教師工作,舉家遷往巴基斯坦,以便求醫。但在最後一年即將完成療程之際,她的丈夫被拘留,家人被迫離開巴基斯坦。「我們無處容身,一無所有。」 Asma説。

難民署正與夥伴合作,為返回家庭提供緊急經濟援助,讓他們能夠支付食物和交通費用。然而,在資金嚴重被削減的情況下,我們需要更多支持以提供進一步的援助,例如為面臨風險的婦女和兒童提供專門支援、醫療保健、法律援助和協助重新融入社會。

Asma, a 40-year-old mother of two daughters from Mazar-e-Sharif, recently crossed the border back into Afghanistan, fearful for what lies ahead.

封面故事 COVER STORY

She first went to Pakistan in 2021 to receive cancer treatment. When travel costs became too high, she gave up her job as a teacher and moved with her family to Pakistan to stay closer to medical care. But before completing her final year of treatment, her husband was detained, and the family was told to leave the country. "We have no place to stay and nothing at all." Asma said.

UNHCR is working with its partners to help returning families with emergency financial support so they can pay for food and transport, but amid severe funding cuts, more support is needed to provide additional assistance, such as specialized support to women and children at risk, healthcare, legal assistance and help with reintegration.

教育: 難民未來的希望之源

Education: A Lifeline for Refugee Futures

教育不僅是知識的獲取—它是通往保護、機遇與 尊嚴的途徑。缺乏教育,整整一代人將面臨被排除 在外的風險。聯合國難民署《2025年難民教育 報告》展示了如何透過創新的項目、獎學金及與 不同伙伴合作,協助年輕難民重返校園、獲得線上 學習機會,並追求高等教育,將希望轉化為機遇。

今年的報告同時聚焦一些迫切的需求:全球仍有數百萬難民兒童與青年仍然缺乏接受優質教育的機會,尤其在中學和高等教育階段,入學率持續偏低。報告採用創新的漫畫形式,真實呈現衝突與流離失所如何剝奪學生接受教育的機會,以及難民署如何協助年輕人以希望及決心重返校園。

Education is more than learning—it's a pathway to protection, opportunity, and dignity. Without it, an entire generation risks being left behind. UNHCR's 2025 Refugee Education Report shows how, through innovative programmes, scholarships, and partnerships, we are helping young refugees return to classrooms, access digital learning and pursue higher education, transforming hope into opportunity.

This year's report also spotlights the urgent need: millions of refugee children and youth worldwide still lack access to quality education, particularly at the secondary and tertiary levels, where enrolment remains critically low. Presented through an illustrated comic, the report shows how conflict and displacement deprive students of the chance to learn, and how UNHCR helps young people return to school with hope and determination.

「為難民而跑·步步同行」 Run with Refugees @ SPORTFEST 香港運動節 HK2025

在聯合國難民署的理念中,運動不僅是體育活動,更凝聚團結、增進理解,並彰顯被迫逃離家園者的堅毅精神。

今年八月,難民署香港辦事處參與香港運動節2025,舉辦了「**為難民而跑·步步同行**」活動。我們邀請市民在跑步機上步行或跑步,以行動累積步數,向全球流離失所的家庭表達支持。

持續三天的活動,獲得市民的熱烈支持,超過200名參加者接受挑戰。他們合計奔跑或步行了10小時44分鐘、全長約70.1公里——相等於三名流離失所者從剛果民主共和國的Sake步行至Mugunga尋找安全的距離。

這項活動既有趣又具互動性,更承載深遠意義。每一步都 提醒着我們,難民為了安全所經歷漫長而危險的旅程。透過 踏出每一步,參加者向難民的堅毅致敬,展現同理心支持 及與被迫逃離的人們同行。

Sport at UNHCR goes beyond physical activity — it brings people together, builds understanding, and celebrates the strength of those forced to flee.

In August, UNHCR Hong Kong took part in Hong Kong SportFest 2025 with our "Run with Refugees: Every Step Helps" campaign. Members of the public were invited to walk or run on treadmills and track their steps, showing solidarity with displaced families around the world.

Over three energetic days, more than 200 participants accepted the challenge. Together they spent a total of 10 hours and 44 minutes on the move and covering 70.1 kilometres — roughly the distance three displaced people might travel from Sake to Mugunga in the Democratic Republic of the Congo in search of safety.

While the activity was fun and interactive, it carried a deeper meaning, each step served as a reminder of the long, dangerous journeys refugees take to find safety. Through every step, participants honoured their resilience and the power of coming together in compassion to support those forced to flee.
