## Putting People First

## Self Reliance & Economic Inclusion working together to achieve rights & access

Join us to help answer 2 challenge questions!

- 1. Self-Reliance as economic empowerment:** What are the rights and factors that enable refugee self-reliance and inclusion and how can we create and improve access to these?
- 2. Economic inclusion and mutual benefit:** What are the partnerships, innovations, and policy initiatives that need to be expanded and accelerated to achieve collective benefits for refugees, host communities and economies?
