PROVISIONAL ANNOTATED AGENDA
(8-9 March 2001)

1. Adoption of the agenda
2. Protection of Refugees in Mass Influx Situations

This theme, the first of the Global Consultations, will comprise presentations of documents on the following topics, each of which will be introduced and discussed separately in the following order:

- (i) Overall protection framework (EC/GC/01/4)
 - (ii) Civilian character of asylum, including separation of armed elements and screening in mass influx situations, as well as status and treatment of ex-combatants (EC/GC/01/5)
 - (iii) Registration (EC/GC/01/6)
 - (iv) Mechanisms of international cooperation to share responsibilities/burdens in mass influx situations (EC/GC/01/7)
3. Any other business
 4. Conclusion of meeting

A summary of issues emerging from the discussions will be presented by the Chairman. A report of the meeting will be made available to delegations, in accordance with the practice of the Standing Committee.
