PROPOSALS FOR REVISION OF THE FINANCIAL RULES, INCLUDING CHANGES
REQUIRED BY THE BIENNIALIZATION OF THE PROGRAMME BUDGET

1. The Executive Committee, at its 56th session, decided to move to a biennial programme/ budget cycle, effective the biennium 2008-2009, and requested UNHCR to begin the necessary preparatory work, including a revision of its Financial Rules, for preliminary consideration at the thirty-ninth meeting of the Standing Committee, prior to submission to the Advisory Committee on Administrative and Budgetary Questions (ACABQ) for comment, and endorsement by the Executive Committee at its fifty-eighth session.
2. This paper therefore presents, in Annex I, a proposal for a revision to the “Financial Rules for Voluntary Funds Administered by the High Commissioner for Refugees” based on the most recent revision of 7 October 1999 (A/AC.96/503/Rev.7). Proposed changes are shown in *bold italics*. It is proposed that these revised Financial Rules come into effect on 1 October 2007.
3. It should be noted that this proposed revision only incorporates changes required due to UNHCR’s adoption of a biennial programme/budget cycle and the formalization, by the Executive Committee in October 2006, of the “New or Additional Activities – Mandate-related” budget category. Further revisions to the Financial Rules, particularly those which will become necessary as the Office moves towards adoption of the International Public Sector Accounting Standards (IPSAS), will be submitted in due course.

1.3 These rules shall not apply to the subsequent administration of moneys or supplies allocated by the High Commissioner under agreements with Governments, governmental agencies, local authorities or other agencies, provided that those agreements contain appropriate provisions to ensure, in the opinion of the High Commissioner, that these moneys or supplies will be so utilized as to provide the maximum benefit for the purpose of the allocation, and subject to the provision of Article 12 regarding audit.

1.4 The Controller shall be responsible for the application of these rules on behalf of the High Commissioner.

1.5 These rules may be amended by the High Commissioner in consultation with the Executive Committee in a manner consistent with the Financial Regulations of the United Nations.

For trust fund accounts, adjustments shall be applied to the account from which the expenditure was incurred.

Progress payments may be made when the Controller deems it to be in the interest of UNHCR.

Whenever such an advance payment is requested, the reasons therefore shall be recorded by the certifying officer.

5.9 Payments in excess of \$100 or its equivalent shall be made by cheque or bank transfer unless otherwise authorized by the Controller.

If exceptional circumstances so warrant, signature of cheques by one officer may be authorized. The authority granted and responsibility assigned to such signatories is a personal one and cannot be delegated.

Article 6 - FUNDS AND *RESERVES*

Annual Programme Fund

6.1 There shall be established an Annual Programme Fund to which all unrestricted and restricted contributions (except contributions to Supplementary Programmes), miscellaneous income and balances not required for the replenishment of the Working Capital and Guarantee Fund shall be credited. Restricted contributions are those subject to externally imposed stipulations which specify the purpose for which the contribution is to be used.

Supplementary Programmes Fund

6.2 (a) There shall be established a Supplementary Programmes Fund to which all contributions to Supplementary Programmes shall be credited.

(b) When Supplementary Programmes become part of the *Biennial* Programme Budget, the respective balances of the Supplementary Programmes will be transferred to the Annual Programme Fund.

Working Capital and Guarantee Fund

6.3 A Working Capital and Guarantee Fund is established at a ceiling determined by the Executive Committee. The Fund shall be maintained by income from the following sources:

(a) income from repayments of loans;

- (b) savings from prior years' Annual Programme *Fund*, and Supplementary Programmes unless agreed otherwise with donors in the case of restricted contributions. For trust fund accounts, savings shall be applied to the account where savings were made;
- (c) income from investments;
- (d) voluntary contributions;
- (e) other miscellaneous income including exchange gains and losses, as well as the net income of revenue-producing activities unless the Executive Committee has directed otherwise on the use of income from those activities.

6.4 The Working Capital and Guarantee Fund may be utilized for the following purposes:

- (a) to replenish the Operational Reserve;
- (b) to meet essential payments due for the implementation of projects pending receipt of contributions pledged;
- (c) to guarantee obligations incurred against governmental pledges or firm pledges from organizations of established repute;
- (d) to guarantee commitments in respect of revenue-producing activities of UNHCR;
- (e) to fund payments for bank charges;
- (f) to fund in the course of a given year, obligations incurred under the Annual Programme Budget, including the Operational Reserve, and Supplementary Programmes, pending the receipt of anticipated contributions, on the condition that the level of obligations so funded does not exceed one-twelfth of the total amount, excluding the amount of the *Reserves*, approved by the Executive Committee for that year's Annual Programme Budget. However, this funding facility shall only be used to the extent that:
 - (i) at the end of a given year, obligations thus funded do not exceed 3 per cent of that year's level of the Annual Programme Budget, excluding that of the *Reserves*, approved by the Executive Committee;
 - (ii) the Working Capital and Guarantee Fund shall be replenished as a matter of priority in the subsequent year according to the provisions of Article 6.3 above, and where appropriate and necessary, from unrestricted contributions to the Annual Programme *Fund*;
- (g) the Working Capital and Guarantee Fund may be utilized to guarantee budgetary increases under the Headquarters component of the Annual Programme Budget and the Supplementary Programmes that may result directly from exchange rate fluctuations in a given year, provided that such increases do not exceed 2 per cent of the approved Annual Programme Budget level (excluding the amount of the

Reserves) and the level of Supplementary Programmes for that year. If recourse is made to the Working Capital and Guarantee Fund for such a purpose, the Fund shall be replenished in the subsequent year in accordance with the provisions of Article 6.3; and

(h) for any other purpose that the Executive Committee may authorize.

Operational Reserve

6.5 The Operational Reserve is established to:

- (a) provide assistance to refugees, returnees and displaced persons in emergency situations for which there is no provision in the programmes approved by the Executive Committee;
- (b) provide such additional administrative expenditure resulting from those emergencies as cannot be met from the Annual Programme Budget or Supplementary Programmes, pending action by the Executive Committee or the General Assembly;
- (c) fund planning of repatriation, especially in regard to the necessary measures to be taken on behalf of returnees in their country of origin;
- (d) fund preparations in the country of asylum for voluntary repatriations not otherwise provided for, and activities related to actual return;
- (e) provide supplementary funding for voluntary repatriations, including initial reintegration needs in the country of origin;
- (f) cover unexpected increases in the costs of projects financed from the current or previous years' Annual Programme Budget, or from an Operational Reserve allocation made in a current or previous year to cover an emergency;
- (g) meet the cost of modifications to current year projects under the Annual Programme Budget that may be necessary to achieve the approved project objectives;
- (h) increase existing allocations to meet needs resulting from a new influx of refugees belonging to a group already receiving assistance under the current year Annual Programme Budget;
- (i) increase, as required, with the Executive Committee's approval, the Fund for International Field Staff Housing and Basic Amenities.

6.6 An Operational Reserve shall be constituted at an amount equivalent to 10 per cent of the proposed programmed activities in the Annual Programme Budget being submitted for approval. The Operational Reserve shall be maintained at not less than \$ 10,000,000 by replenishments from the Working Capital and Guarantee Fund.

6.7 The High Commissioner may make transfers of appropriations from the Operational Reserve to other parts of the Annual Programme Budget for the purposes set out in Article 6.5, provided that the amount made available for any one programme shall not exceed \$ 10,000,000 in any one financial year.

6.8 The High Commissioner may make allocations from the Operational Reserve to other parts of the Annual Programme Budget and to Supplementary Programmes for the purposes set out in Article 6.5, provided that the amount made available for any one programme shall not exceed \$ 10,000,000 in any one year. An Operational Reserve allocation may be cancelled if sufficient funds are subsequently received in response to a related supplementary appeal (be it by UNHCR, an inter-agency appeal or a Consolidated Appeal); or if the funds, or part thereof, have not been obligated at the end of a given year.

6.9 The High Commissioner shall report to the Executive Committee at each annual session, and at each regular session of its Standing Committee, on the use made of the Operational Reserve.

Trust fund, reserve and special accounts

6.10 Subject to the provisions of Article 6.11 below, the High Commissioner may establish trust fund, reserve and special accounts for moneys becoming available to him/her for purposes of the Annual Programme Budget and the Supplementary Programmes, and for other purposes that are consistent with the policies, aims and activities of UNHCR.

6.11 The purpose and scope of each trust fund shall be defined by agreement between the High Commissioner and the donor. The purpose and limits of each reserve or special account shall be clearly defined by the High Commissioner with the concurrence of the Executive Committee. Such funds and accounts shall be administered in accordance with these financial rules unless otherwise directed by the Executive Committee.

The “New or Additional Activities – Mandate-Related” Reserve

6.13 The “New or Additional Activities – Mandate-related” Reserve shall be constituted at \$ 50,000,000 for each financial year of the Biennial Programme Budget.

Article 7 - APPROVAL OF PROGRAMMES

7.1 The High Commissioner shall submit ***biennially*** to the Executive Committee for approval his/her ***Biennial*** Programme Budget which shall include estimates of the cost of activities under the Regional Operations, Global Operations and Headquarters, and the ***Reserves*** for ***each of the years comprising the Biennial Programme Budget***.

7.2 The High Commissioner may submit to the Executive Committee for approval a revised ***Biennial*** Programme Budget.

7.3 The approval by the Executive Committee of the *Biennial* Programme Budget constitutes an authorization to the High Commissioner to incur obligations and make payments up to the amounts approved, subject to the provisions of Article 8.2 below.

7.4 The High Commissioner may effect transfers and such adjustments between appropriations *within each year of the Biennial* Programme Budget as may be required by changes affecting the programmes for which they were planned, provided that the Executive Committee is informed of such adjustments and transfers at its next session.

7.5 The approved level of the Annual Programme Budget in a given year may be allowed to increase by up to 2 per cent if, in accordance with the provisions of Article 6.4 (g), the Working Capital and Guarantee Fund was used to compensate for budgetary increases under the Headquarters component of the *Biennial* Programme Budget and the Supplementary Programmes that resulted directly from exchange rate fluctuations; in such a case, the subsequent adjustment of the *Biennial* Programme Budget level and related accounting adjustments would be effected at the end of the *relevant financial* year.

Article 8 - IMPLEMENTATION OF PROJECTS

8.1 The High Commissioner may obligate the necessary funds for the implementation of projects in accordance with:

- (a) the terms of the approval given by the Executive Committee for the Annual Programme Budget; or
- (b) the terms and conditions of the Supplementary Programmes; or

Furthermore, the High Commissioner may enter into obligations under the *current year of the Biennial* Programme Budget including the *Reserves*, and the Supplementary Programmes up to the amount funded from the Working Capital and Guarantee Fund as provided for in Articles 6.4 (f) and 6.4 (g). (b) at any given time the total amount of moneys available in all UNHCR funds and accounts excluding trust fund accounts shall be sufficient to meet the total payments due at that time.

8.3 Whenever possible and appropriate the implementation of projects will be entrusted to implementing agencies, e.g. governmental, intergovernmental or non-governmental bodies, private firms or individual experts.

8.4 Projects will be implemented in accordance with the terms of:

- an agreement or a formal exchange of letters between UNHCR and the implementing agency or agencies, to be concluded before implementation starts; and/or

- (i) prescribe arbitration as the means for settlement of disputes;
- (j) recognize the privileges and immunities enjoyed by UNHCR.

8.6 The High Commissioner will not accept liability for compensation for death, disability or other hazards which may be suffered by employees of the agencies or third parties as a result of their connection with the work financed by UNHCR.

8.7 When a project is to be implemented a formal Letter of Instruction to the responsible officer(s) or organizational unit(s) shall be issued before implementation starts.

8.8 Letters of Instruction shall define the purpose, objectives, duration and modalities of implementation of the project and the maximum amount to be expended. If any part of the project covered by a Letter of Instruction is to be implemented by an implementing agency or agencies, sub-agreements will be concluded in accordance with Articles 8.4 and 8.5(a) - (j) above.

Article 9 - INVESTMENT OF FUNDS

9.1 The Controller may make short-term investments of moneys not immediately required in accordance with the investment policies of the United Nations and in consultation with the Secretary-General where practical. 10.3 Certifying officers shall be designated by the Controller and shall be responsible for the specific accounts assigned to them. Alternates may be designated by the Controller to act in the absence of the certifying officers. Certifying officers shall be responsible for ensuring that the proposed obligation or expenditure:

The authority granted and responsibility assigned to such officers is a personal one and cannot be delegated.

10.4 Commitments against the approved Annual Programme Budget for the following year may be made when they are necessary and in the interest of UNHCR. A memorandum record of all such commitments shall be maintained.

Ex-gratia payments

10.5 The Controller may personally approve ex-gratia payments where, although no legal liability on UNHCR exists, the moral obligation is, in his/her opinion, such as to make payment desirable in the interest of UNHCR. Ex-gratia payments to staff members of UNHCR or another agency of the United Nations system as well as ex-gratia payments in excess of \$ 5,000 shall require the personal approval of the High Commissioner. A statement of any ex-gratia payments made shall be submitted to the United Nations Board of Auditors and to the Executive Committee with the annual accounts.

10.8 An Assets Management Board shall be established at UNHCR Headquarters to advise the High Commissioner on questions arising from the management of equipment and supplies purchased out of UNHCR voluntary funds, and the ownership of which is vested in UNHCR. The High Commissioner is authorized to establish Assets Management Boards at the regional and the local level. The High Commissioner will issue rules and procedures of the Boards defining in particular the composition, the authority and the responsibility of the Boards.

10.9 Subject to the provisions contained in Article 1.3 above, the Boards will advise the High Commissioner and Representatives, respectively, on the steps to be taken to ensure that:

Contracts and Purchases

10.10 The High Commissioner will establish a Committee on Contracts at UNHCR Headquarters. The High Commissioner is authorized to establish Committees on Contracts at the regional and the local level. PROGRAMME BUDGET

The Standing Committee,

Having considered the proposed revisions of the Financial Rules for Voluntary Funds Administered by the High Commissioner for Refugees, as set out in Annex I of conference room paper EC/58/SC/CRP.17,

Requests the High Commissioner to seek the comments of the Advisory Committee on Administrative and Budgetary Questions (ACABQ) on the proposed revisions prior to submitting a final draft to the fifty-eighth session of the Executive Committee for endorsement by the Executive Committee and subsequent promulgation by the High Commissioner with effect from 5 October 2007.
