## HOW TO DO?

Say it immediately to the operators, to your guardian, your social worker or your lawyer of the centre where you are welcomed

If you are not yet welcomed into a community for minors, you can contact the Law Enforcement (Polizia, Carabinieri) of the city where you are located

Your family reunification procedure will be handled in agreement with your family members along with the operators who are taking care of you

Don't worry if you don't speak Italian yet! There will be a person who speaks your language and will help you understand what to do

If you really want to continue your journey, all together we will help you realize this desire to be reunited and be able to live with your family!
