

RFP PSP/IT/2021/007 PRODUCTION OF THE ACQUISITION MAIL PACK

#	<u>Question</u>	<u>Answer</u>
1	Nel bando gara non troviamo le caratteristiche tecniche degli invii; dobbiamo chiederli a loro oppure elaborarli noi? In passato so che utilizzavate i classici 2 fogli A4 in busta 23x11, usate anche mail pack con buste master	We have not provided any technical information in order to allow all bidders to propose the technical specifications and the pack composition that they think would best meet the acquisition purpose. Please be informed that technically we require the pack to be "premium" with a gadget or lift item included as per par. 1.3.1 of Annex A.
2	Necessitate anche dei prototipi fisici?	Yes, we ask for physical samples of past acquisition packs to review the quality of the print, colour, paper and gadgets/lift items. If possible to be produced on time, a sample of the premium pack you propose is also accepted, but not mandatory otherwise. Samples are to be delivered/sent to UNHCR office as per address indicated in the tender documents.

Information provided within the scope of the present tender is confidential and is NOT to be shared outside the purpose of the tender participation.
