REQUEST FOR PROPOSAL No. RFP/UNHCR/JOR/2022/17
FOR THE ESTABLISHMENT OF FRAME AGREEMENTS FOR THE PROVISION OF MAINTENANCE, OPERATION AND MONITORING SERVICE OF THE LOW VOLTAGE NETWORK IN ZAATARI AND AZRAQ REFUGEE CAMPS

INTRODUCTION TO UNHCR
The Office of the United Nations High Commissioner for Refugees was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It also has a mandate to help stateless people.

In more than five decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 6,600 people in more than 110 countries continues to help about 60 million persons. To help and protect some of the world’s most vulnerable people in so many places and types of environments, UNHCR must purchase goods and services worldwide. UNHCR will draw up a short list technically compliant bids from the submissions received and expects to conduct supplier visits prior to awarding the contract.

**Clarifications of Proposals:**

To assist in the examination, evaluation and comparison of proposals UNHCR may at its discretion ask the Bidder for clarification about the content of the proposal. The request for clarification and the response shall be in writing and no change in price or substance of the proposal shall be sought, offered or accepted.

The **Financial offer** will use the following percentage distribution: **30% from the total score**.

The financial component will be analyzed only for those suppliers that pass the technical evaluation.
The maximum number of points will be allotted to the lowest price offer that is opened and compared among those invited firms. All other price offers will receive points in inverse proportion to the lowest price; e.g., [total Price Component] x [JOD lowest] / [JOD other] = points for other supplier’s Price Component.

For evaluation purposes only, the offers submitted in currency other than Jordanian Dinars will be converted into Jordanian Dinars using the United Nations rate of exchange in effect on the date the submissions are due.

Once the deadline for submission is expired, the bid will be automatically closed after which the uploaded files can be reviewed but options for additional upload and deletion of previously uploaded files are not available anymore. In order to ensure the safe submission of the full and final offer, it is recommended to have all files uploaded well before the tender deadline.
