

Important Notice: Vaccination without appointment

Source: Ministry for Health

July 2021

From Monday 19th July 2021, residents of Malta and Gozo who have not yet been vaccinated against COVID-19, can get vaccinated **without an appointment** by visiting:

- Malta: Gateway Hall, University of Malta, Monday to Saturday, between 08:30-15:00;
- Gozo: Gozo Conference & Expo Centre, Monday to Friday, between 08:30-15:00.

Children under 16 who wish to get vaccinated without an appointment, must present an identification document, and be accompanied by a parent who can consent to the child getting vaccinated.

Anyone who would like to get vaccinated, needs to present their **identity card**. If one does not have an identity card, one may present **another identification document together with proof of residence in Malta** (e.g. water and electricity bill, a rental agreement, or an employment contract).
