

## **Notice on the wearing of masks in public**

Source: Government of Malta  
December 2021

With effect from **Saturday, 11 December 2021:**

**Masks** must now be worn in ***all indoor and outdoor public spaces***.

These include offices, shops, cultural and entertainment venues and all open-air spaces.

Masks must also be worn when one is **walking alone** in both urban and countryside areas.

Masks need not be worn when one is **seated** at a bar or restaurant.

## **Notice on COVID-19 vaccine booster dose**

Source: Government of Malta  
December 2021

The Maltese Health Authorities have decided to offer the booster dose to all persons over 12 years. The booster dose should be given after 6 months have passed from the second dose of any Covid-19 vaccine (or from the single dose of Johnson & Johnson vaccine).

Registration for the booster dose is currently open for anyone who is fully vaccinated and is aged 35 and over. Registration for the booster (for individuals with a Maltese residence card) is online on <https://vaccin.gov.mt/>.
