

## COVID-19 Vaccine booster - Walk-in clinics

Source: Government of Malta  
January 2022

From Monday, 17 January 2022, residents of Malta and Gozo who would like to get their COVID-19 vaccine booster may do so **without an appointment** by visiting one of the centres below:

- MCAST Paola
- Luqa AFM Barracks
- Paola Health Centre
  
- Community Clinics in:
  - o Sliema
  - o Kercem
  - o Mellieha
  - o Naxxar
  - o St Venera

Clinics are open from 9AM until 4PM.

Those attending a walk-in clinic for their booster dose need to present their **ID card or residence permit** and the date of the last dose of their vaccine. In the absence of an ID card or residence permit, one may present **another identification document (e.g. Asylum-Seeker Document) together with proof of residence** (e.g. a rental agreement, an employment contract, or a utility bill).
