

## **Walk-In Clinic in Gozo – January 2022**

Source: Government of Malta

January 2022

Vaccines and booster doses will be available in Gozo at Ta' Pinu on **4<sup>th</sup> February 2022 from 4PM to 8PM**. No appointment necessary.

Individuals who have already had their first two doses (or first and only dose if the person was originally administered the Johnson & Johnson vaccine), must present their vaccine certificate.

Individuals who would like to get the first or second vaccine dose, need to present a document with their details (e.g. paper with F number, passport, Asylum-Seeker Document).
