

UNHCR Resettlement Handbook

Release of the revised 2011 UNHCR Resettlement Handbook

- comprehensive revision incorporating UNHCR policy developments and amendments to resettlement practice since the last update in 2004.
- your guide to UNHCR's key protection principles, and guidelines and procedures for implementing resettlement as a tool for protection, a durable solution and an element of responsibility sharing.

UNHCR Resettlement Handbook

- the cornerstone of UNHCR's resettlement management and policy guidance
- a key reference tool for resettlement states and NGOs on global resettlement policy and practice
- a valuable advocacy tool for broadening the resettlement base

Available

- online at <http://www.unhcr.org/resettlementhandbook>
- limited numbers of copies will be available from UNHCR offices in resettlement countries
