

1.A.1 AKTIVITET FÖR ATT PARA IHOP BOKSTÄVER

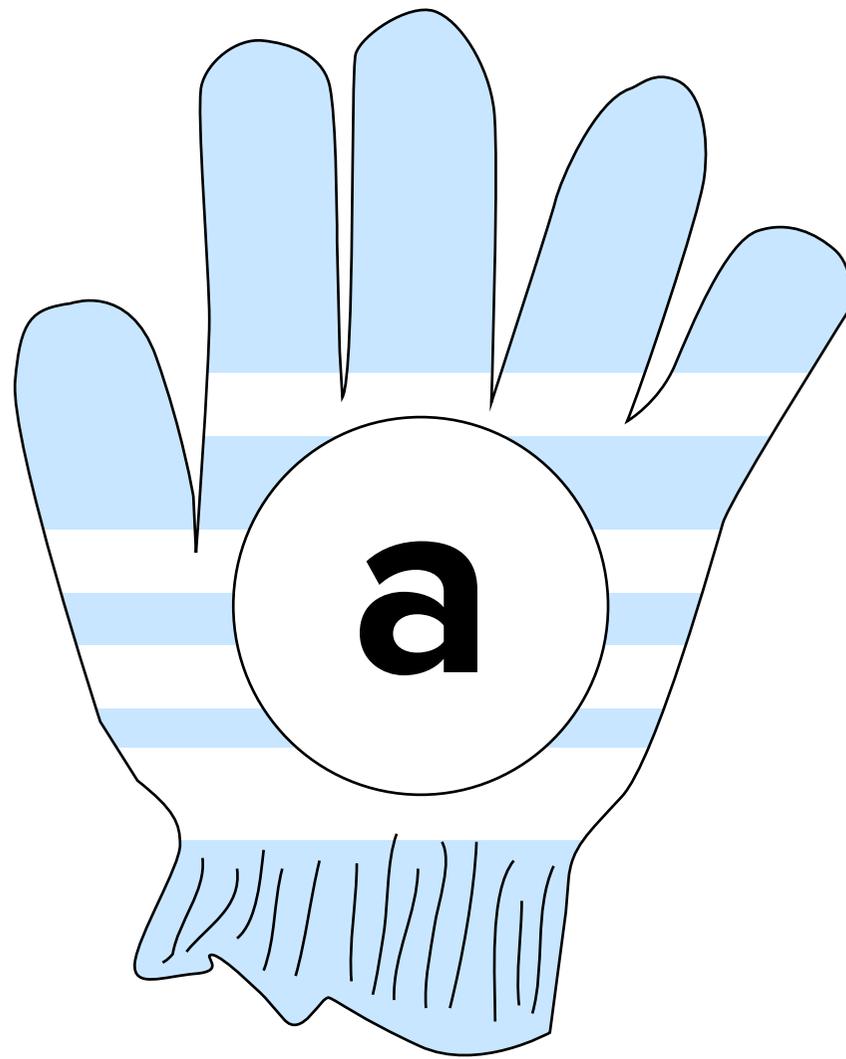

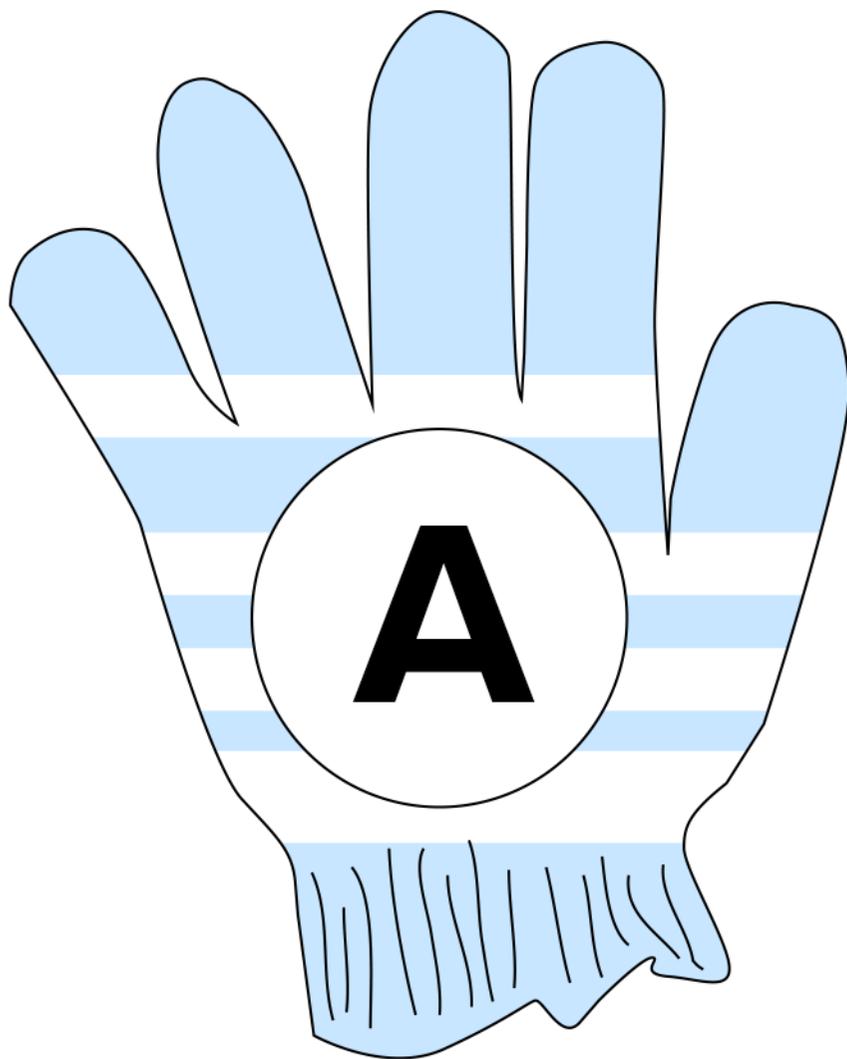

Instruktioner

Del av 1.A | Aktiviteter för att hjälpa elever att bygga relationer och interkulturell förståelse på individnivå.

Aktivitetsbladet innehåller en uppsättning kort med handskar. De föreställer alfabetet i stora bokstäver och motsvarande små bokstäver.

- 1) Skriv ut dokumentet.
- 2) Klipp ut ett tillräckligt antal bokstavskort.
- 3) Dela ut lika många kort av varje sort så att varje elev kan hitta en annan elev med ett matchande kort.
- 4) Nu ska alla elever leta efter sin motpart med samma bokstav (liten eller stor bokstav) som de själva har.
