

Note for File.

Reference: CT Scan Machine for Provincial Kidney Center – Peshawar.

The purpose of this note for file is to justify the delay submission of CT Scan machine for the tender. Following the meeting with the management of the Kidney Center to ensure the pre-requisite variables like, availability of space, human resources, post maintenance after the warranty period, submission of utilization data for POC and host population were later communicated and confirmed by the management on dated 2 November 2022. This caused a delayed in the submission of the request for CT Scan machine to be included in tender.
