

What will happen in Asylum Centre Humenné?

Going to Town

If you need to go to the town for shopping or other social events, aid workers will arrange the trip.

Available help

Members of the NGO, Slovak Government officials or UNHCR staff are on the premises around the clock to help you with your concerns and needs and provide you with the necessary information and advice if needed.

Resettlement

While you are living safely in Humenné, UNHCR will initiate your final resettlement. You will have medical checks carried out and interviews for the purpose of processing your resettlement case as per request of the resettlement country.

You will be offered language courses and cultural orientation programmes to prepare you for your new life.

Welcome to the Asylum Centre Humenné in Slovakia!

Welcome to the Asylum Centre Humenné in Slovakia!

For your safety, you are going to be evacuated temporarily from your current residence to the Asylum Centre Humenné. The centre is located in the city of Humenné in the Eastern part of the Slovak Republic, which is a Member State of the European Union.

Humenné is one of the industrial and cultural centers of East Slovakia together with Košice and Prešov. The city of Humenné has a complete infrastructure, sport and cultural facilities, banks, shops, hotels, restaurants, and different department stores. Complete medical care is available at the hospital within walking distance from the Asylum Center. The total population of Humenné is over 35,000 inhabitants who are Slovak nationals.

The Asylum Center is approximately 15 minutes walking distance from the city center.

You will stay there for a limited period of time until your departure to the resettlement country is arranged. This can take between a few weeks and a few months.

Capacity and Accommodation at the Asylum Centre

The asylum centre has a capacity up to 550 beds and comprises three buildings.

Pavilion S002: Three floor building with security check point at main entrance, Administrative centre, medical unit, living space with small kitchen; and TV room on each floor and 2, 6, 8 10 persons bedrooms, children's room, class room.

Pavilion S003: Three floor living space building equipped with 6 persons bedrooms, library with reading room, dining room, cloth storage and offices for aid workers.

Pavilion C: laundry

The Asylum Center is guarded around the clock with guards and surveillance cameras guaranteeing your safety during your temporary stay there till your departure for resettlement.

Arrival and Stay in the Asylum Centre

Assignments of Rooms

Upon arrival at the centre you will be assigned rooms. Families will be placed in family rooms; single persons will be placed in separate quarters for men and for women. The living space is equipped with sufficient toilets and showers.

Meals

During your stay in the centre, you will be provided three meals a day. The meals are prepared according to your religious and cultural needs.

Other Facilities

The centre offers a basic medical service facility, playground, sport facilities and rooms for leisure time activities.

Social Workers

Designated social workers and a nurse will give you support and advice as needed.
