

## Introduction

At the 2019 Global Refugee Forum (GRF), TRSN pledged to expand into five more countries in Southeast Asia, Middle East, Africa, and South America. The network encouraged refugee students to support each other by sharing expertise, best practices, and opportunities worldwide. In addition, the network worked on the regional levels to foster the connection between refugee students by encouraging peer to peer support and mentoring programs among refugee students.

## 2019 Pledge progress Update

Since 2019, the network has fulfilled its pledge to expand into new countries by launching regional chapters with national leaders and activities in Mexico, Ecuador, Rwanda, Germany, United Arab Emirates, Malawi, Pakistan, Chad, Kenya and Uganda.

in 2022, TRSN won the UNHCR Refugee Led Innovation Fund grant to implement a proposed Peer to Peer Solutions Advisor Network pilot project in Uganda with the plan to upscale globally in the following years in collaboration with national chapters and partners.
