

The information contained in the *Procurement Plan 2025*, provided by UNHCR, the UN Refugee Agency, is intended solely to alert the market to potential upcoming business opportunities. However, the publication of this plan does not constitute a commitment by UNHCR to initiate any procurement procedures outlined herein. Additionally, the estimated timelines for the publication of such procedures are subject to change without notice. UNHCR reserves the right to modify, suspend, or cancel any procurement activities mentioned in the *Procurement Plan 2025* at its discretion, without any liability or obligation.
