II. Update on budgets and funding for 2025

A. Original and current budget

2. The original annual budget of \$10,247.5 million for 2025 was approved by the Executive Committee at its seventy-fifth plenary session in October 2024.²

3. As of 31 July 2025, the cut-off date for the data presented in this report, supplementary budgets of \$356.7 million resulted in the current annual budget for 2025 of \$10,604.2 million.

B. Supplementary budgets

4. In June 2025, at the ninety-third meeting of the Standing Committee, a total budget of \$10,604.2 million was reported as at 30 April 2025, reflecting supplementary budgets of \$356.7 million in support of the Middle East and Syria returns situations, as reflected in table II.1 below. As of 31 July 2025, the sum of supplementary budgets is unchanged. A breakdown of 2025 supplementary budgets by situation, region and impact area is presented in annex III.

5. Since the beginning of 2025, UNHCR has responded to 22 emergencies in 16 countries, sometimes multiple emergencies in the same country. Regarding the Middle East situation UNHCR is providing protection and addressing urgent needs in Lebanon. In the Syrian Arab Republic, UNHCR is conducting robust protection monitoring for returnees, facilitating access to essential services for vulnerable persons, distributing non-food items, and providing legal aid, protection services and mental health and psychosocial support. The supplementary budgets have been mostly budgeted under impact area 2 (respond) and impact area 4 (solve).

¹ Figures are presented in millions of United States dollars. The totals in this document may not add up due to rounding.

Annex VIII

Draft decision on budgets and funding for 2025

The Standing Committee,

Recalling the Executive Committee's decision, at its seventy-fifth session on administrative, financial and programme matters ([A/79/12/Add.1](#) para. 12 (b)), as well as discussions by the Standing Committee on the programme budgets and funding item at its ninety-third meeting in June 2025,

Reaffirming the importance of responsibility-sharing in solidarity with countries hosting refugees,

Takes note of the increase in UNHCR's annual budget for 2025 as at 31 July 2025 to a current total of \$10,604.2 million, representing the sum of the original budget of \$10,247.5 million and supplementary budgets of \$356.7 million;

Recognizes that emergencies and unforeseen activities unfolding in 2025 may result in the need for additional or expanded supplementary budgets and that additional resources, over and above those for existing budgets, would be needed to meet such needs; and

Urges Member States to continue to respond generously with flexible and unearmarked contributions, in the spirit of solidarity and in a timely manner, to the High Commissioner's appeal for resources to meet in full the annual budget for 2025.
