

List of endorsing entities: Global Refugee Statement presented at the Global Refugee Forum Progress Review 2025

The drafting process of the [Global Refugee Statement](#) was led by [Advisory Board](#) to the [UNHCR Task Team](#) on Engagement and Partnership with Organizations led by Displaced and Stateless Persons over a 6-month process. The statement benefitted from the direct inputs from 96 organizations led by forcibly displaced and stateless persons in two online consultations and a survey tool, capturing their recommendations, thematic priorities, and asks from the wider displaced and stateless community. It was delivered during the opening plenary of the Global Refugee Forum Progress Review 2025 by a member of the Advisory Board.

The Global Refugee Statement was officially endorsed by 59 organizations led by forcibly displaced and stateless persons via an online tool between 15 December 2025 and 28 January 2026. In addition to that, 49 other civil society actors endorsed the statement, leading to an overall 108 civil society endorsing entities.
