AUDIT OPINION

We have examined the following appended financial statements numbered I to III, properly identified, and the schedules, numbered 1 to 10, the appendix and the supporting explanatory notes of the voluntary funds administered by the United Nations High Commissioner for Refugees for the financial period ended 31 December 1995, in accordance with the Common Auditing Standards of the Panel of External Auditors of the United Nations, the specialized agencies and the International Atomic Energy Agency. Our examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, the financial statements present fairly the financial position of the organization as at 31 December 1995 and the results of its operations from the financial period then ended; that they were prepared in accordance with the stated accounting policies which were applied on a basis consistent with that of the preceding financial period; and that the transactions were in accordance with the Financial Regulations and the relevant legislative authority.

In accordance with our usual practice, we have issued a long form report on our audit of the financial statements of the voluntary funds administered by the United Nations High Commissioner for Refugees as provided for in the Financial Regulations.

STATEMENT OF THE HIGH COMMISSIONER'S RESPONSIBILITIES

AND

APPROVAL OF THE FINANCIAL STATEMENTS

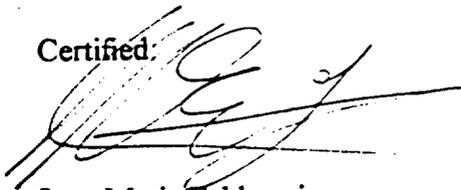

The United Nations High Commissioner for Refugees is ultimately responsible for the content and integrity of the financial statements contained in the Accounts of the Voluntary Funds Administered by the United Nations High Commissioner for Refugees which are submitted to the Executive Committee of the High Commissioner's Programme and to the General Assembly of the United Nations.

To fulfill its responsibility, UNHCR operates within prescribed accounting policies and standards and maintains systems of internal accounting controls and procedures to ensure the reliability of financial information and the safeguarding of assets. The internal control systems and financial records are subject to reviews by the United Nations Audit and Management Consulting Division of the Office of Internal Oversight Services and the United Nations Board of Auditors, during their respective audits.

In this context, the following appended financial statements, comprising Statements I to III, Schedules 1 to 10, Appendix I and Supporting Notes, were prepared in accordance with UNHCR Financial Rules (A/AC.96.503/Rev.6) and the United Nations Common Accounting Standards. In Management's opinion, the accompanying financial statements present fairly the financial position of the Office in total and of the individual Programmes, Funds and Accounts, the results of their operations and the changes in their financial position.

The Accounts are hereby

SUMMARY OF BASIC ACCOUNTING POLICIES

(APPLICABLE TO THE VOLUNTARY FUNDS ADMINISTERED BY
THE UNITED NATIONS HIGH COMMISSIONER FOR REFUGEES)

SIGNIFICANT ACCOUNTING POLICIES

Accounting period

1. The accounts of UNHCR's voluntary funds cover the 1995 calendar year. They are submitted to the United Nations Board of Auditors and the Executive Committee of the High Commissioner's Programme.

Fund Accounting

2. The accounts are maintained on a "fund accounting" basis. Separate funds for general and special purposes are established. Funds at the disposal of the High Commissioner for the purposes falling outside the Annual Programme and Emergency Fund are recorded as special programmes including trust funds, reserves or special accounts as may be deemed appropriate in accordance with the Financial Rules. Each fund is maintained as a distinct financial and accounting entity with separate self-balancing double-entry group of accounts. Separate financial statements are prepared for each fund or for a group of funds of the same nature.

Write-offs

3. Write-offs due to losses of cash, property, or the book value of accounts receivable, including the conversion of loans into grants, are governed by Financial Rule 10.6. A statement of all amounts written off is submitted to the Board of Auditors with the annual accounts.

Ex-Gratia payments

4. The granting of ex-gratia payments is governed by Financial Rule 10.5. A statement of ex-gratia payments, if any, is submitted to the Board of Auditors with the annual accounts.

Accrual basis

5. Financial transactions are recorded in the accounts on an accrual basis. Thus, all firm pledges (except pledges announced in 1995 for the 1996 General Programmes) are recorded as income in 1995, even if they concern programmes whose budgetary period extends into 1996, and therefore may be partially obligated in 1995. "Expenditure" represents the sum of the 1995 project disbursements and unliquidated obligations.

Contributions

6. Cash received for pledges is recorded at the US dollar equivalent calculated at the United Nations operational rate of exchange prevailing on the date of receipt. Pledges unpaid are adjusted to their dollar equivalent calculated at the United Nations operational rate of exchange prevailing on 31 December of each year.

7. Pledges outstanding for a period exceeding five years are not shown in the accounts but are retained in memorandum records.

8. Contributions in-kind are recorded at the market value of the goods and services at the time the pledge is made. The related obligation and expenditure are recorded at the time the pledge is made. At delivery, the obligation is liquidated and the receivable is correspondingly reduced.

9. In addition to the in-kind contributions recorded in the accounts, extra-budgetary in-kind donations from various donors, valued at \$ 38,023,804 were received in 1995. These donations are listed in Appendix 1.

Translation of currency

10. The accounts of UNHCR are presented in United States dollars. Transactions in other currencies are translated into United States dollars at the United Nations operational rates of exchange prevailing at the time of the transaction. At year end, cash, investments and other accounts receivable in currencies other than United States dollars are translated at the applicable United Nations rates of exchange. Exchange differences are debited/credited to the General Fund.

Fixed assets

11. Non-expendable property purchased with UNHCR's Voluntary Funds is charged as expenditure to the appropriate budget accounts in the year of acquisition; it is not included in the balance sheet but is recorded in separate inventories. The inventories are recorded at the US dollar equivalent calculated at the rate of exchange prevailing on the date of purchase. Prior to 1995, only those items where ownership remained vested in UNHCR were recorded as Fixed Assets. During 1995 UNHCR started implementing the new "Minder Asset Tracking System". All administrative and project purchased assets are being recorded. Thus the number and value of items at year end are considerably higher than at 31 December 1994. The cost of non-expendable property held at 31 December 1995, was \$138,088,251, with an associated depreciated value of \$86,479,825.

Term deposits

12. Short-term deposits of monies not immediately required are made in accordance with Financial Rule 9.1 and a report on such investments is included in the annual accounts (Schedule 8). Income from investments is credited to the General Fund as provided for in Financial Rule 9.3.

Loans made to or on behalf of refugees

13. An amount of \$2,331,979 in respect of loans made to or on behalf of refugees is still refundable to UNHCR at 31 December 95 (Schedule 7). These loans were fully expensed in the years during which they were made and only memorandum accounts are maintained in UNHCR's books.

CASH

14. The cash shown represents the net of all cash balances, including funds held in non-convertible currencies.

15. The US Dollar equivalent of the non-convertible currencies held at 31 December 1995, are reported in Schedule 10. Non-convertible currencies included are those listed as non-convertible according to Article VIII in the IMF publication "Exchange Arrangements and Exchange Restrictions" (1995). Non-resident accounts in these currencies have been considered convertible for purposes of this schedule.
