

1.A.1 LETTER MATCHING ACTIVITY

Instructions

Use this sheet to do the exercises in chapter 1.A of the [Main curriculum for age group 6-9](#) | Activities to facilitate relationships between children and build inter-cultural awareness at the individual level.

This activity sheet contains a set of cards with gloves. They represent the alphabet in upper case and matching lower case letters.

- 1) Print this document and cut out a sufficient number of number cards so all your students have one.
- 2) Distribute the cards and make sure matching upper case and lower case cards are equally divided.
- 3) Bring the students into a room, a playground or other open space. Each student now needs to find their counterpart holding the matching letter.
- 4) Encourage students to communicate with others and do the matching exercise out loud. Allow a set time for them to find their counterpart.
