

## COVID-19 WASH PREPAREDNESS AND RESPONSE – RAPID CHECKLIST

COUNTRY: \_\_\_\_\_

NAME OF REFUGEE SETTING / CAMP \_\_\_\_\_ DATE \_\_\_\_\_

<b>WASH Business Continuity</b>	
<input type="checkbox"/> Are sufficient quantities of essential WASH supplies (e.g. fuel, chemicals, backup generators, spare parts, NFIs especially soap) available for the next three (3) months?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have essential WASH staff for critical WASH roles (pump operators, technicians, service crews, waste management staff, hygiene promoters) been identified and plans made for their work in case of camp access /movement restrictions? Have back-ups for these staff been identified?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have essential WASH staff been provided handwashing supplies and appropriate protective equipment?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>WASH for Infection Prevention / Social Distancing</b>	
<input type="checkbox"/> Are handwashing stations with soap and water (or 0.05% chlorine) available in all critical public sites (transit sites/receptions/entry points/markets/ distribution sites/ other communal setting)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have water pumping times been adapted/increased to reduce queuing time/social contact?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Is there a need for an increase in water availability for COVID-19 handwashing measures?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> If yes, are measures being taken? Additional water trucking contracts planned/signed, demand management, water conservation campaign, increasing storage?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have additional temporary WASH facilities been installed to reduce queuing, and increase water availability (e.g. temporary water storage reservoirs, water points, emergency communal toilets).	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Are common WASH contact surfaces (e.g. door handles, taps) of communal infrastructure being regular disinfected with 0.5% chlorine solution?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>WASH NFIs</b>	
<input type="checkbox"/> Have sufficient WASH NFIs (soap, jerry cans, washing bowls, MHM materials) for the next three (3) months been distributed via non-contact methods (see WFP / IASC guidance LINK)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Risk Communication and Community Engagement</b>	
<input type="checkbox"/> Have hygiene promoters been trained on COVID-19 appropriate messages (approved by Ministry of Health) and low interpersonal risk methods (e.g. social media, radio, television, text, loudspeaker)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Are hygiene promoters working with community-based protection outreach workers and community health workers using a clear plan that ensures reduction of duplication of effort?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Are hygiene promoters engaged in two-way dialogue with community members using low interpersonal transmission risk methods (e.g. hotlines, group chat)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have all household surveys been temporarily suspended?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Social Distancing Measures</b>	
<input type="checkbox"/> Have 2m social distance intervals been clearly marked on/near all communal WASH infrastructure (communal water points and toilets) so they can be used safely?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have social distancing measures for using communal WASH services been adequately communicated to the population using mass media methods?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Points of Entry / Quarantine</b>	
<input type="checkbox"/> Have the full UNHCR WASH Standards been implemented in areas where new arrivals to the camp are required to quarantine?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<b>Support to Infection Prevention Control in Healthcare Facilities</b>	
<input type="checkbox"/> Under the leadership of the Health Team, is there a clear plan to support infection prevention control in healthcare facilities including water, excreta management, environmental cleaning, and medical waste management interventions? (Please refer to the UNHCR Health Facility Checklist LINK)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
<input type="checkbox"/> Have dedicated WASH interventions and supplies been discussed/planned with Shelter/CCCM/Health colleagues for potential prioritised isolation or quarantine?	Yes <input type="checkbox"/> No <input type="checkbox"/>
