I. Introduction

1. At the fifty-first meeting of its Standing Committee in June 2011, the Executive Committee of the High Commissioner’s Programme decided to establish “an Independent Audit and Oversight Committee to assist the High Commissioner and the Executive Committee in exercising their oversight responsibilities in accordance with relevant best practices, industry standards and the financial and staff regulations and rules applicable to UNHCR”, (EC/62/SC/CRP.24/Rev.2). The original terms of reference and criteria for membership of the Independent Audit and Oversight Committee (IAOC) are included in annex I of that conference room paper.

2. As per the terms of reference, they shall be reviewed at least every two years, with any updates approved by both the High Commissioner and the Executive Committee. The terms of reference were revised in 2019, as recorded in the report of the seventy-fourth meeting of the Standing Committee (A/AC.96/1188) and documented in the “Revision of the terms of reference and criteria for membership of the Independent Audit and Oversight Committee” of 28 February 2019 (EC/70/SC/CRP.5/Rev.1, Annex I).

II. Proposed changes

3. In accordance with the biennial review schedule, and following consultations between the IAOC and the High Commissioner, the following amendments are proposed to the terms of reference and criteria for membership of the IAOC:

   (a) Under section 3 (5) – Membership: reference to Committee members requiring experience in inspection has been removed as no longer relevant, since UNHCR’s inspection function has been discontinued. Paragraph 5 (d) inserts wording of “detection of, and response” replacing “control” of fraud. Paragraph 5 (f) adds reference to “ethics” in the list of desirable experience for Committee members.

   (b) Under section 3 (8) and section 4 (11) references to requirements that were necessary for the first meetings establishing the IAOC have been removed, as these provisions are now obsolete. To ensure smooth transition planning over membership tenure, paragraph 8 includes an additional provision that, in the case of reappointment, members shall be informed three months prior to the expiration of their initial tenure period.

   (c) Section 7 (20) codifies selected IAOC meetings in private session (as is already established practice).

   (d) Under Section 12 – Coordination: paragraph 25 has been added and paragraph 26 (formerly 25) amended to clarify the role of the IAOC Chair and Vice-Chair in both the annual formal meeting of the United Nations system oversight committees and ad hoc consultations among the Chairs.

   (e) Section 13 – Review of the Committee’s terms of reference, has been revised to clarify roles and responsibilities in the review and approval of terms of reference. Specifically, it provides that the IAOC may initiate such a review, while maintaining the requirement that any amendments shall be approved by both the High Commissioner and the Executive Committee.

4. Accordingly, annex I of this document presents a proposal for the revision of the “Terms of reference and criteria for membership of the Independent Audit and Oversight Committee”, with the proposed amended text in bold font. Annex II contains a draft decision corresponding to this revision.
