

Corrigendum No.2

Request for Proposal No. RFP/HCR/SYR/2026/2387

Establishment of a Frame Agreement for the Provision of Inland Transportation Services in Syria for a Duration of two years, Extendable for an Additional One Year (2+1)

Date: 17th February 2026.

In reference to the tender documents RFP/HCR/SYR/2026/2387 for the Establishment of a Frame Agreement for the Provision of Inland Transportation Services in Syria for a Duration of two years, Extendable for an Additional One Year (2+1); please take note of the following amendments regarding the subject request for proposal:

- The financial offer form (Annex D) is modified to cover all potential points of origin/departure and destination points might be required for the provision of the inland transportation services during the proposed contract duration i.e. two years + one year extension.

Please make sure to use the Revised financial offer form.2 (Annex D) for the submission of your financial offer.

- The bid closing date is extended for one week i.e. till 02 March 2026 at 23:59 Syrian standard time to enable the bidders to prepare their financial offer.

All other terms and conditions mentioned within the tender documents shall remain the same and not change.
