

RFQ#102-2022
REQUEST FOR QUOTATION FOR THE PROVISION OF KILIS CHILD CENTRE ROUGH CONSTRUCTION
INQUIRY RESPONSES

INQUIRY RESPONSES

Q1- Please find the items below listed which are presented in ANNEX-A Technical Specifications, however not listed neither in ANNEX-C Financial Proposal Form nor in ANNEX-D Bill of Quantities:

- Foundation iron reinforcement
- Foundation filling material
- Foundation formwork (shuttering)

A01: Please take Annex-C (Financial Proposal) document into the consideration while preparing your proposal/financial offer. In case any additional request would arise during the implementation phase, subject to thorough technical assessment, the details will be communicated with the awarded company at that stage.

Q2- Windows, doors, ceramic floor tiles, ceramic wall tiles, floor covering, suspended ceiling, interior and exterior paintings, sanitary installation are in architectural Project but not listed in technical specifications. Are those items out of the scope of this Project? (Electrical Works?). Are we responsible for only ANNEX-A technical specifications?

A02: This is a rough construction. Please take Annex-C (Financial Proposal) document into the consideration while preparing your proposal/financial offer. In case any additional request would arise during the implementation phase, subject to thorough technical assessment, the details will be communicated with the awarded company at that stage.

Q3- Water and thermal insulation for the foundation is an obligation however those are not shown in the drawings.

A03: Please take Annex-C (Financial Proposal) document into the consideration while preparing your proposal/financial offer. In case any additional request would arise during the implementation phase, subject to thorough technical assessment, the details will be communicated with the awarded company at that stage.

Q4- Between the information in the tender you published and the project, the Inner Wall Quantity appeared as 140 m², and the plaster Quantity for the Inner Wall is 500 m² holder. Can the interior wall plaster quantity be 250 m²?

A04: Please take Annex-C (Financial Proposal) document into the consideration while preparing your proposal/financial offer. In case any additional request would arise during the implementation phase, subject to thorough technical assessment, the details will be communicated with the awarded company at that stage.
