Q&A

**UNHCR RFQ/053/2023 FOR SUPPLY AND DELIVERY OF PEARL MAKING WORKSHOP EQUIPMENT AND CONSUMABLES**

**QUOTATION TO BE RECEIVED BY: 28/11/2023, 17:00 TRT**

---

**Question & Answer**

**Question 1:** First of all, do you accept partial bids?

**Answer 1:** Yes, partial bids are accepted.

---

**Question 2:** Regarding #1 “Laser Engraving Machine”, there is no such machine that cuts both metal and wood (non-metal).

**Answer 2:** As per Annex B, should you offer an item with different technical specifications than listed in Annex A, please indicate them in the designated section on page 2 of Annex B, the Technical Offer Form.

---

**Question 3:** And as for the #3 “Wood Frame Saw”, the requested device is second-hand, also there is no up-to-date device that meets the technical specification.

**Answer 3:** Please note that the images provided are as a guide only, and do not necessarily represent the exact item requested, and we are not requested second-hand items. As per Annex B, should you offer an item with different technical specifications than listed in Annex A, please indicate them in the designated section on page 2 of Annex B, the Technical Offer Form.

---

**Question 4:** 3. Item No: 23: Wood copying Lathe Machine: The specifications that you tender is not produced in the market. Could you pls change or offer an alternative to this item?

**Answer 4:** As per Annex B, should you offer an item with different technical specifications than listed in Annex A, please indicate them in the designated section on page 2 of Annex B, the Technical Offer Form.
