Failure to provide the above-mentioned documentation might lead to disqualification.

2.5.2 Technical and Financial evaluation:

For the award of this project, UNHCR has established two-stage evaluation criteria which govern the selection of proposals received. The evaluation of proposals will be done on a technical and financial basis according to a point scoring system. The final proposal points are the sum of the technical and financial points. The percentage assigned to each component is determined in advance as follows:

The **Technical proposal** will be evaluated using inter alia the following criteria and percentage distribution: **70%** from the total score:

#	MANDATORY PRE-QUALIFICATION CRITERIA	Pass/Fail
1	Copy of certificate of registration with the Government of Ukraine, with a foundation year minimum three (3) years before the tender deadline.	
2	Document(s) of the company registration with the tax services in Ukraine.	
3	Acceptance of UNHCR Conditions of Contract for Civil Works (signed/stamped Annex E).	
4	Acceptance of UNHCR Supplier Code of Conduct (Annex G)	
5	Acceptance of UNHCR payment terms as detailed in Annex A and Annex E.	
6	Availability of duly completed Annex D - Vendor Registration Form.	
7	Submission of Balance Sheets for 2021 – 2022, also clearly indicating the turnover of the company during these years (2021 and 2022).	

Only bidders scoring 'Pass' on all above seven (7) Pre-Qualification Criteria will be further considered, as per the below technical scoring mechanism (further detailed in Annex C):

#	TECHNICAL EVALUATION CRITERIA POINTS	Maximum Score
1	Company's capacity and proven experience in similar fields	250
2	Company's personnel - qualified engineers and technical support staff	200
3	Methodology, approach and workplan, reporting	200
	TOTAL	650

The cut-off points for submissions to be considered as technically compliant **will be a minimum of 390 points out of the maximum 650 points available. After the evaluation, this will be converted out of 70% allocated to the technical proposal.**

IMPORTANT:

All suppliers must have bank account capable of receiving Ukrainian Hryvna (UAH), and must have legal entity registered in compliance with the applicable legal framework of the state. Failure to provide evidence of the above two criteria may result in disqualification of your proposal from further evaluation.

A financial proposal will only be considered if the technical part of the supplier's proposal passed a minimum of 390 points out of 650 points allocated to technical proposal, is accepted by UNHCR as complying with the technical requirements listed in RFP documentation.

The **Financial Proposal** will be as per [Annex B and B1] and will use the following percentage distribution: **30%** from the total score.

The maximum number of points will be allotted to the lowest price proposal that is opened and compared among those technically compliant firms. All other price offers will receive points in inverse

proportion to the lowest price, e.g., [lowest Price Component] x [100] / [total price component] * 30%] = points for other supplier's Price Component.

The financial component will be evaluated only for those suppliers that pass the technical evaluation for the corresponding LOT.

The award will be made to the most responsive bidder, reaching the highest overall (technical + financial) score for the corresponding LOT.

IMPORTANT: If a bidder submits a proposal for multiple LOTs, it shall consider the probability of being awarded for multiple LOTs, in terms of capacity, work-plan and staffing as well. Accordingly, if the bidder is successful with more than 1 LOT, irrespective of the number of LOT awarded to the bidder, the bidder must keep the proposed work schedule for each awarded LOT as per the bidder's technical proposal for such LOTs.

Clarifications of Proposals:

To assist in the examination, evaluation, and comparison of proposals UNHCR may at its discretion ask the bidder for clarification about the content of the proposal. The request for clarification and the response shall be in writing and no change in price or substance of the proposal shall be sought, offered, or accepted. All such queries with the vendors will be made by Procurement Function.

The extension of the I may accompany a modification of the solicitation documents prepared by UNHCR at its own initiative or in response to a clarification requested by a prospective supplier.

Furthermore, the contract will be awarded to the bid considered most responsive to the needs, as well as conforming to UNHCR's general principles, including economy and efficiency and best value for money.

2.8 CURRENCY AND PAYMENT TERMS FOR PURCHASE ORDERS

Payment will be made in hryvnya (UAH) at the United Nations rate of exchange in effect on the date Purchase Order was issued following the link <https://treasury.un.org/operationalrates/OperationalRates.php>.

Currently the United Nations exchange rate between UAH and USD is lower than the market rate, therefore bidders are requested to carefully consider this in their price offer, which prices shall be kept fixed for the entire duration of the frame agreement.

2.9 UNHCR GENERAL CONDITIONS OF CONTRACTS FOR THE PROVISION OF CIVIL WORKS

Please note that the General Conditions of Contracts for Civil Works (**Annex E**) will be strictly adhered to for the purpose of any future contract. The Bidder must confirm the acceptance of these terms and conditions in writing.
