INTRODUCTION TO UNHCR

The Office of the United Nations High Commissioner for Refugees (UNHCR) was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to provide international protection and humanitarian assistance and to seek permanent solutions for persons within its core mandate responsibilities. Its primary purpose is to safeguard the rights and well-being of refugees to guarantee that they have the right of asylum in another country as well as to identify durable solution for them, like voluntary repatriation in safe and dignified conditions; local integration in the country of asylum or resettlement in another country. Over time UNHCR’s mandate has been expanded to encompass returnees and stateless persons. While there is no general mandate for internally displaced persons, UNHCR may provide protection and humanitarian assistance to these populations in certain circumstances. UNHCR therefore also seeks to ensure the protection of internally displaced persons as well as mitigate the reasons for their displacement.

In more than seven decades, the agency, UNHCR has helped tens of millions of people restart their lives. Today, 16,800 staff in more than 134 countries continue to support about 71 million persons. To help and protect some of the world’s most vulnerable people in so many places and types of environments, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations please see http://www.unhcr.org.

1. REQUIREMENTS

The Office of the United Nations High Commissioner for Refugees (UNHCR), Representation in Ukraine (referred to hereinafter as UNHCR), invites qualified companies which are registered with the Government of Ukraine to make a firm proposal for the provision of maintenance and repair services with provision of original spare parts to UNHCR vehicles in Ukraine (hereinafter referred to as “Services”).

UNHCR reserves the right to award a primary and a back-up supplier, where, if the primary supplier is unable to fulfill the requirement of a purchase order resulting from the Service Contract, such order will be canceled with a new purchase order issued to the back-up supplier for the provision of Services.
IMPORTANT:
The Terms of Reference (TORs) are detailed in Annex A.1, A.2 and A.3 of this document. Additional requirements are specified in Annex B (Technical Offer Form).

Please note that estimated quantities have been stated in order to enable bidders to have an indication of the projected requirements. It does not represent a commitment that UNHCR will require the totality of the above quantity. Quantities may vary and will depend on the actual requirements and funds available regulated by issuance of individual Purchase Orders against the Frame Agreement.

The tender requirements are segmented into five (5) LOTs, and ten (10) Sub-LOTs, each determined by the specific location, the number of vehicles, and the types of vehicles required at each site. Bidders have the flexibility to submit proposals for one or more LOTs (e.g., LOT 1 and LOT 3) or for a single or multiple sub-LOTs (e.g., LOT 1.a and LOT 4.b). Each sub-LOT will be independently evaluated and awarded, ensuring a fair and thorough selection process.

2. DURATION

UNHCR may award Frame Agreements with an initial duration of two (2) years, potentially extendable for a further period of one (1) year maximum. The successful bidders will be requested to maintain their quoted price model for the entire duration of the Frame Agreement.

IMPORTANT: Your financial offer should contain a quotation in a single currency, USD, EUR or UAH. The rates quoted by the awarded bidder(s) can be indexed with the official inflation rate (YOY in% as published by the National Bank issuing the respective currency at the time of the expiry of the prevailing contract year), for the second and subsequent contract years. Any adjustments to the rates are subject to prior written confirmation from UNHCR.

Additional Frame Agreements may be awarded, depending on the situation and evolution of needs during the period covered by the initial Frame Agreement.

The Frame Agreement will be non-exclusive, without any minimum money transfer volume or another commitment, and UNHCR will have no obligation (i) to deal with the Frame Agreement holder as a provider of exclusive or unique services or (ii) to order or buy a minimum quantity of services from the Frame Agreement holder(s).

Other United Nations Agencies, Funds, Programmes and authorized humanitarian organizations shall be entitled to the same prices and terms as those contained in the proposals of the successful bidders and could form the basis for a Frame Agreement with such other entities.

IMPORTANT:
The initiation of conciliation or arbitral proceedings in accordance with article 18 “settlement of disputes” of the UNHCR General Conditions of Contracts for the provision Services (Annex E) shall not be deemed to be a “cause” for or otherwise to be in itself a termination clause.

It is strongly recommended that this RFP and its annexes be read thoroughly. Failure to observe the procedures laid out therein may result in disqualification from the evaluation process.

Sub-Contracting: Please take careful note of article 5 of the attached UNHCR General Conditions of Contracts for the provision of Services (Annex E).

Note: this document is not construed in any way as a proposal to contract with your firm.

- Financial standing;
- Core business;
- Track record;

- Sanctions checks etc.

#### 3.5.2 Technical and Financial Evaluation:

For the award of a Frame Agreement under this RFP, UNHCR has established evaluation criteria that govern the selection of proposals received. Evaluation is made on a technical and financial basis. The minimum standards related to vehicle maintenance are listed in Annex A – ToR and the criteria and scoring (numerical or Pass/Fail) are determined in advance and specified in Annex B – Technical Offer Form.

The **Technical proposal** will be 60% of the total score. As part of the technical evaluation of bidding providers, UNHCR may conduct background checks, market research and reference checks with other organizations with which the bidder is already conducting/has conducted business.

**Clarifications**
To assist in the examination, evaluation and comparison of proposals UNHCR may at its discretion ask the Bidder for clarification about the content of the proposal. The request for clarification and the response shall be in writing and no change in price or substance of the proposal shall be sought, proposed or accepted.

**Financial proposal** will be 40% of the total score.

**IMPORTANT:** The Financial proposal will only be opened for evaluation if the supplier’s technical part of the proposal has scored the minimum obtainable marks by UNHCR’s technical evaluation team and has complied with all pass/fail requirements.

The maximum number of points will be allotted to the lowest price proposal that is opened and compared among those invited firms. All other price proposals will receive points in inverse proportion to the lowest price; e.g., [total Price Component] x [US$ lowest] \ [US$ other] = points for other supplier’s Price Component.

**For evaluation purposes only,** the proposals submitted in currency other than US Dollars will be converted into US dollars using the United Nations rate of exchange in effect on the date the submissions are due.

UNHCR reserves the right to accept the whole or part of your bid, or allow split or partial awards on this tender.

UNHCR may at its discretion increase or decrease the proposed content when awarding the contract and would not expect a significant variation of the rate submitted. Any such increase or decrease in the contract duration would be negotiated with the successful bidder as part of the finalization of the Purchase Orders for Services.
