INTRODUCTION TO UNHCR

The Office of the United Nations High Commissioner for Refugees was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It also has a mandate to help stateless people.

In more than six decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 11,600 people in 130 countries continues to help about 68 million people. To help and protect some of the world's most vulnerable people in so many places and types of environment, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations please see <http://www.unhcr.org>.

2.5.2 **Technical and Financial evaluation:**

For the award of this project, UNHCR has established evaluation criteria which govern the selection of offers received. Evaluation is made on a technical and financial basis. The percentage assigned to each component is determined in advance as follows:

The **Technical offer** will be evaluated using inter alia the following criteria and percentage distribution: **70%** from the total score:

Criteria	Percentage
1. Previous experience	30
2. Staff	20
3. Compliance to the terms of reference / Specifications of the proposed service	50
Total:	100

The Technical offer score will be calculated according to the percentage distribution for the technical and financial offers.

The cut-off point for submissions to be considered technically-compliant will be **42% out of the 70%**.

The Technical Offer is to be submitted using the 'Expected deliverables and evaluation timeline' table and information at 5.1 of the attached Terms of Reference (Annex A) as guidance. Please ensure that the Financial Offer is produced in a separate document to the Technical Offer as failure to comply will lead to disqualification from the process.

UNHCR will draw up a short list of 3-5 offers from the submissions received and may conduct supplier visits on or after 31/10/2019.

Clarifications of Proposals:

To assist in the examination, evaluation and comparison of proposals UNHCR may at its discretion ask the Bidder for clarification about the content of the proposal. The request for clarification and the response shall be in writing and no change in price or substance of the proposal shall be sought, offered or accepted.

The **Financial offer** will use the following percentage distribution: **30%** from the total score.

The financial component will be analyzed only for those suppliers that pass the technical evaluation.

The maximum number of points will be allotted to the lowest price offer that is opened and compared among those invited firms. All other price offers will receive points in inverse proportion to the lowest price; e.g., total Price Component x US\$ lowest \ US\$ other = points for other supplier's Price Component.

For evaluation purposes only, the offers submitted in currency other than US Dollars will be converted into US Dollars using the United Nations rate of exchange in effect on the date the submissions are due.

2.6 SUBMISSION OF BID:

The offers must bear your official letter head, clearly identifying your company.

2.7 BID ACCEPTANCE:

UNHCR reserves the right to accept the whole or part of your bid, or allow split or partial awards on this project.

UNHCR may at its discretion increase or decrease the proposed content when awarding the contract and would not expect a significant variation of the rate submitted. Any such increase or decrease in the contract duration would be negotiated with the successful bidder as part of the finalization of the Purchase Orders for Services.

UNHCR may, at its discretion, extend the deadline for the submission of bids, by notifying all prospective suppliers in writing. The extension of the deadline may accompany a modification of the solicitation documents prepared by UNHCR at its own initiative or in response to a clarification requested by a prospective supplier.

Please note that UNHCR is not bound to select any of the firms submitting bids and does not bind itself in any way to select the firm offering the lowest price. Furthermore, the contract will be awarded to the bid considered most responsive to the needs, as well as conforming to UNHCR's general principles, including economy and efficiency and best value for money.
