## **4. ENVIRONMENTAL POLICY**

Environmental considerations are considered part of product quality. UNHCR seeks to purchase goods and services which have less negative impact on the environment. Environmental considerations form part of UNHCR's evaluation and selection criteria, which could cover, depending on goods and services to be purchased, their manufacture, transport, packaging, use and disposal. UNHCR particularly favours goods which make the best use of resources, are recyclable or otherwise easily disposed of after use, and do not cause unnecessary damage to the environment during their use and, where considered relevant, during manufacture. Goods or services meeting these criteria are preferred, providing they are competitive in terms of price, delivery times, and other factors. Your company is invited to submit any relevant information in this regard, in support of your bid.
