Series	Series 2 Classified Subject Files 1971-1984
Subgroup	Refugee situations
Registry Code	100.GEN.AFG - 121.SEA
Scope	This subgroup contains information about logistics, statistics and protection issues relating to the reception, resettlement and repatriation of refugees. It documents conditions in the country of origin, the refugees' situations in the country of asylum, and related interactions between the UNHCR and various governments and NGOs. It also contains letters from refugees, relevant press cuttings and letters from the public. In particular, the subgroup contains a substantial collection of documents on the Orderly Departure Programme, a major operation in the context of which the UNHCR acted as a mediator between the Democratic Republic of Vietnam and various receiving countries to arrange for the resettlement of Vietnamese wishing to leave the Democratic Republic. This programme aimed to reduce the numbers of those leaving Vietnam by boat. The subgroup also contains a collection of documents on UNHCR's relations with liberation movements following a number of United Nations General Assembly resolutions, which granting a representative character to liberation movements recognized by the Organization for African Unity.
